

10th Offshore Jack Up Middle East (OJME) 2022

New Ways New Days
4 - 5 October 2022, Sofitel Corniche
Abu Dhabi, UAE

Conference Agenda

Day one: 4th October

07:30 Registration Tea / Coffee

08:20 Moderator announcement

Inaugural Session

08:30 AM – Inaugural speech – **Abdulahman Abdulla Alseiri**, Chief Executive Officer - **ADNOC Drilling**

08:50 AM – Keynote Speech

- **Knut Ørbeck-Nilssen**, CEO, DNV Maritime
- **Asim Al Zarooni**, Vice President, Drilling Operations, Drilling Offshore (Jack-Up), ADNOC Drilling
- **Capt. Mohamed Ali**, Senior Vice President, ADNOC L&S

09:30 AM – Special Address – **Geir Fuglerud** – Director Offshore Classification, DNV

09:50 AM – Asset Integrity - **Khaled Al Messabi**, Advisor, Technical Function, ADNOC Drilling

10:10 AM – Drivers that made the increase in Jack Up demand - **Rahul Mehrotra**, Director Marketing, Shelf Drilling

10:30 AM – Sustainable Offshore Operations - **Panos Koutsourakis**, Director, Global Sustainability, ABS

10: 50 AM – **Erik Henriksen**, DNV

11:00 AM – Refreshments

11:30 AM – Where is offshore drilling headed in a world that begs for energy security? **Oddmund Føre**, Senior Vice President Energy Service Research, Rystad Energy

11:50 AM – Energizing the Jackup Owners - **Arun Pushkarna**, COO, Vahana Marine Solutions DMCC

12:10 PM – Rethinking BOP Handling - **George Pritchard**, Director of Engineering, Keppel LeTourneau Middle East FZE

12:40 PM – Rack Phase Differential Monitoring (RPD) - **Brian Sinclair**, Managing Director, Monitor Systems Scotland Limited

01:00 PM – Lunch

02:00 PM – ESG in the Maritime Industry - A wake-up call - **Abhay Nimbalkar**, Specialist, Marine Support (Vessels), Marine Support Team, ADNOC Offshore

2:20 PM – Cyber vulnerability directly linked to business continuity - **Capt Errol Gonzalvez**, Constellation Cyber Consultancy

02:50 PM – Virtual Reality in Offshore for engineering studies, inspections - **Ajai K. Peter**, Director Technical Services, Zentec Inc.

03:30 PM – Refreshments & Close of Day one.

06:00 PM – OJME Awards & Dinner

10th Offshore Jack Up Middle East (OJME) 2022

New Ways New Days
4 - 5 October 2022, Sofitel Corniche
Abu Dhabi, UAE

Day two: 5th October

08:00 AM – Registration Tea / Coffee

08:30 AM – **Mousa Sabeel Ali, Vice President, Offshore Mobile Solutions & Projects, ADNOC Logistics & Services**

08:50 AM – Jack Ups for Wind Farm - Challenges - **Ashik Subahani, Managing Director, Sea Delta Marine and Offshore**

09:10 AM – Introducing the new generation of service jack-up vessels for operations in the Middle East – **Alain Wassink, GustoMSC NOV**

09:30 AM – Using proven O&G cantilevered JU concept / tech for offshore wind turbine installation – result is BargeRack - **Roberto Salinas, Project Director, Friede & Goldman, Ltd.**

10:00 AM – Refreshments

10:30 AM – Super Oceanfit - to prevent failures at weld seams of self-elevating structures in WTIV and JUR - **Daniel Stroetgen, R&D M&D Product Manager, Vallourec Deutschland GmbH**

10:50 AM – Critical points during rig reactivation, the surprises that the owners want to avoid - **Franck Jaussaud, Jacking Solutions**

11:10 AM – Green Asset Recycling - for sustainable & safeguarding environment - **Satya, SV Energy Systems**

11:30 AM – Improving engineering & operational efficiency of offshore assets through digitalization - **Abin Pulivelil Thomas, Sesam Product Manager - Fixed Structures Digital Solutions. DNV**

11:50 AM – Improving Operational Efficiency on Self-Elevating Units - A Class perspective - **Jae-Hoon Lee - Senior Principal Surveyor, ABS**

12:10 PM – Lunch

01:10 PM – Safeguarding our Most Important Asset – Personnel - **Cris Partridge, Managing Director, Myrcator Marine & Cargo Solutions FZE**

01:30 PM – Development of Ocean Space - Offshore Fish Farms & Floating wind - An introduction to design concepts & requirements - **Jacob George, Engineer, Regional Offshore Class, DNV**

01:50 PM – Coping with water contamination onboard Jack Up rigs - **Melvin Eldin, Sales Manager – Offshore, Advanced Watertek**

02:10 PM – TBA

02:40 PM – TBA

03:10 PM – Refreshment & close of day two and end of the conference

**The above time slots are indicative & are subject to change*
